How to Connect to ACC WIFI:

- On a Windows 10 PC click on the WIFI icon, at the bottom left of your screen 📶. In some cases the icon may look like this 🖥
    - o Then select the network named "ACC"
    - o If you will be connecting to "ACC" frequently you can choose to put a check in the "Connect automatically" box
    - o Click "Connect".

- On a Mac click on the WIFI icon, at the upper left of your screen 📶.
    - o Then select the network named "ACC"

- Open any internet browser
    - o You will automatically be redirected to a page to enter your login credentials.
    - o For more information see the document "How to login to ACC WIFI"
