Apple TV User Guide

To connect to the Apple TV in your classroom

- On the Podium select the Apple TV button from the Extron control panel.

- Your iPad needs to be on the ACC Internal network to connect to the Apple TV.
- To begin, swipe up from the bottom of your screen to access Control Center.

- Tap AirPlay Mirroring. You should now see available Apple TVs.

- Scroll to the name of the Apple TV you want to AirPlay to, (i.e. M1055) select it and then tap **Done**. Now when viewing content in Photos, Videos, or the Safari app, it will be streamed to your Apple TV.

- You can use AirPlay for videos, music, or photos from a variety of locations on your iOS 7 device, including from within the Photos, Videos, Safari, and Music apps.

To disconnect your iPad from the Apple TV

To ensure your Apple TV is properly disconnected from your iPad, please follow these steps. Failure to do so may cause yourself or others to be unable to reconnect to the device.

- Swipe up from the bottom of your screen to access the Control Center.
- Tap on AirPlay, scroll back to the top of the list and select your iPad to stop AirPlaying.

- Once the projector screen goes blank, select the PC on the Podium Extron control panel.

Should you encounter any issues with this process please place a ticket with the help desk so we may assist you and correct the problem. Please login to the helpdesk https://helpdesk.arapahoe.edu, call extension 3199 or email helpdesk@araphoe.edu. Please provide the room number, the time, the error and any additional information that will be helpful in solving the issues.
