

EDGENUITY

How to sign on and see my assignments and videos.

Find Your School

The first time you login to ClassLink you have to first find your school. In the top search bar - search for Arlington and select Arlington Schools.

Login

Once you have found your school login using your Microsoft Account which uses your student email and password.

Edgenuity

Once you have logged into ClassLink you should see a tile for Edgenuity. Click on that tile. It should automatically take you to Edgenuity. If it prompts you to sign in use your student email and password.

Remote Learning

You have successfully signed in and are ready to learn from home!!

LET'S DO THIS!!

Open Class Link

Find the App ClassLink on your iPad. and open it. This is a Single Sign on App that will keep track of all your usernames and passwords as long as you login through the app.

Find Your Class

Your IN!!!

Find your courses which you are enrolled in and click on them to see the assignments. If you are not finding your class email your teacher to make sure you have been added to the roster.
