JEPPESEN.COM

Dear Jeppesen NavData® Subscriber,

We regret to inform you Jeppesen and Avidyne will end NavData production and distribution support for the Avidyne Flight Situation Display (FSD). Jeppesen will issue the final DVD shipment of NavData on Cycle 1813 (Effective Date December 6, 2018).

Jeppesen will refund the unused portion of your NavData subscription from January 3, 2019.

This was not an easy decision to make, but was necessary, as we will cease delivery of DVDs and other physical media at the end of this year.

On behalf of Jeppesen and Avidyne, we apologize for the impact this may cause to your flight operations.

Sincerely,

Jeppesen
