Perhaps the most important feature of the Dashboard is the notification of special finance options for each of the Agents listings. RatePlug focuses on the most heavily used programs such as USDA, FHA and VA that offer lower down payment options and looser qualification requirements which will increase the buyer pool.

What does FHA have for you?

FHA loans have been helping people become homeowners since 1934. The Federal Housing Administration (FHA) - which is part of HUD - insures the loan, so your lender can offer a homebuyer a better deal.

- Low down payments
- Low closing costs
- Easy credit qualifying

Buying your first home?

FHA might be just what you need. Your down payment can be as low as 3.5% of the purchase price. Available on 1-4 unit properties.

Financial help for seniors

Are you 62 or older? Do you live in your home? Do you own it outright or have a low loan balance? If you can answer "yes" to all of these questions, then the FHA Reverse Mortgage might be right for you. It lets you convert a portion of your equity into cash.

Want to make your home more energy efficient?

You can include the costs of energy improvements into an FHA Energy-Efficient Mortgage.

VA Home Loans

**U.S. Department
of Veterans Affairs**

The Department of Veterans Affairs helps Servicemembers, Veterans, and eligible surviving spouses become homeowners. VA Home Loans are provided by private lenders, such as banks and mortgage companies. VA guarantees a portion of the loan, enabling the lender to provide you with more favorable terms.

VA Home Loan Advantages

The guarantee provided by the VA, allows lenders to provide you with more favorable terms, including:

- No down payment as long as the sales price doesn't exceed the appraised value.
- No private mortgage insurance premium requirement.
- VA rules limit the amount you can be charged for closing costs.
- Closing costs may be paid by the seller.
- The lender can't charge you a penalty fee if you pay the loan off early.
- VA may be able to provide you some assistance if you run into difficulty making payments.
- You should also know that you don't have to be a first-time homebuyer.
- You can reuse the benefit.
- VA-backed loans are assumable, as long as the person assuming the loan qualifies.

Eligibility Requirements

The length of your service or service commitment and/or duty status may determine your eligibility for specific home loan benefits.

Purchase Loans

VA-guaranteed loans are available for homes for your own personal occupancy. To be eligible, you must have a good credit score, sufficient income, a valid Certificate of Eligibility (COE), and meet certain service requirements.
