

Navigating the Modern Automotive Technology, c2026, Instructor Resources in an LMS

G-W content works similarly in all LMS's, but in this Onboarding Video, we will demonstrate these steps in Canvas.

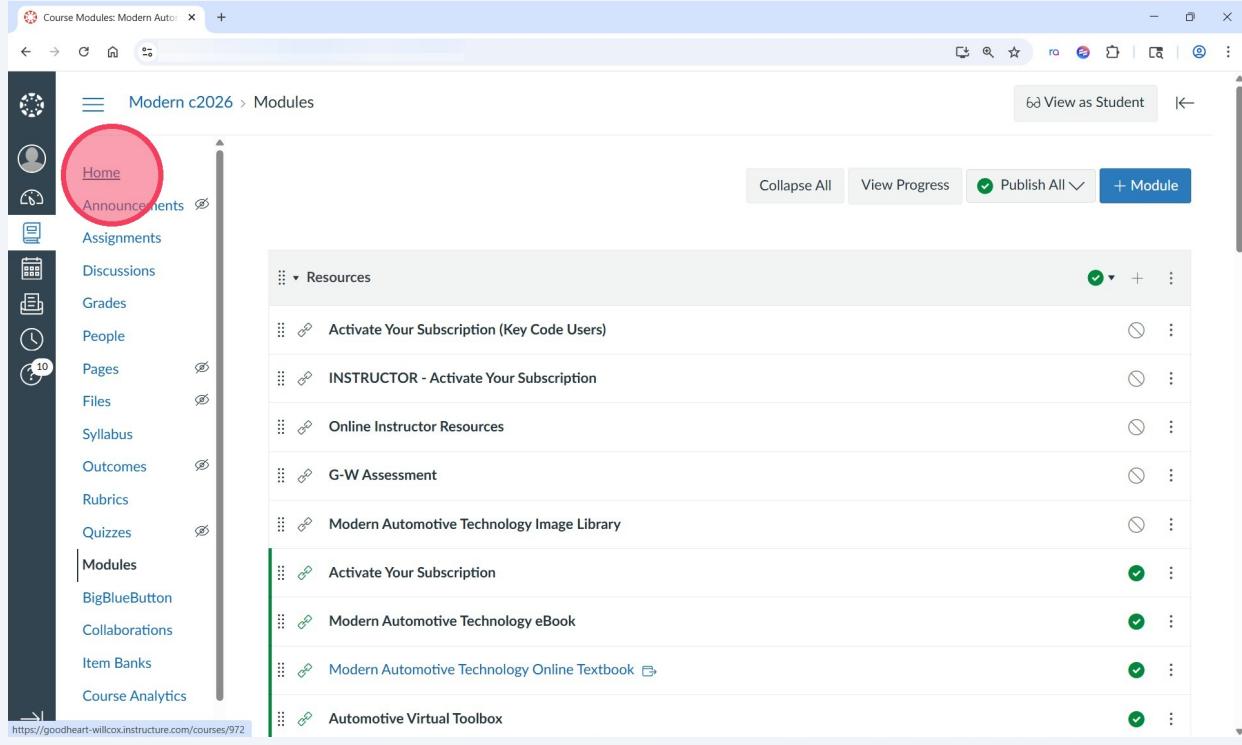

A screenshot of the Canvas LMS interface. The left sidebar shows course navigation with 'Modules' selected. The main content area shows the 'Resources' section with the following items:

Resource	Action
INSTRUCTOR - Activate Your Subscription	Not Published
Online Instructor Resources	Not Published
G-W Assessment	Not Published
Modern Automotive Technology Image Library	Not Published
Activate Your Subscription	Published
Modern Automotive Technology eBook	Published
Modern Automotive Technology Online Textbook	Published
Automotive Virtual Toolbox	Published

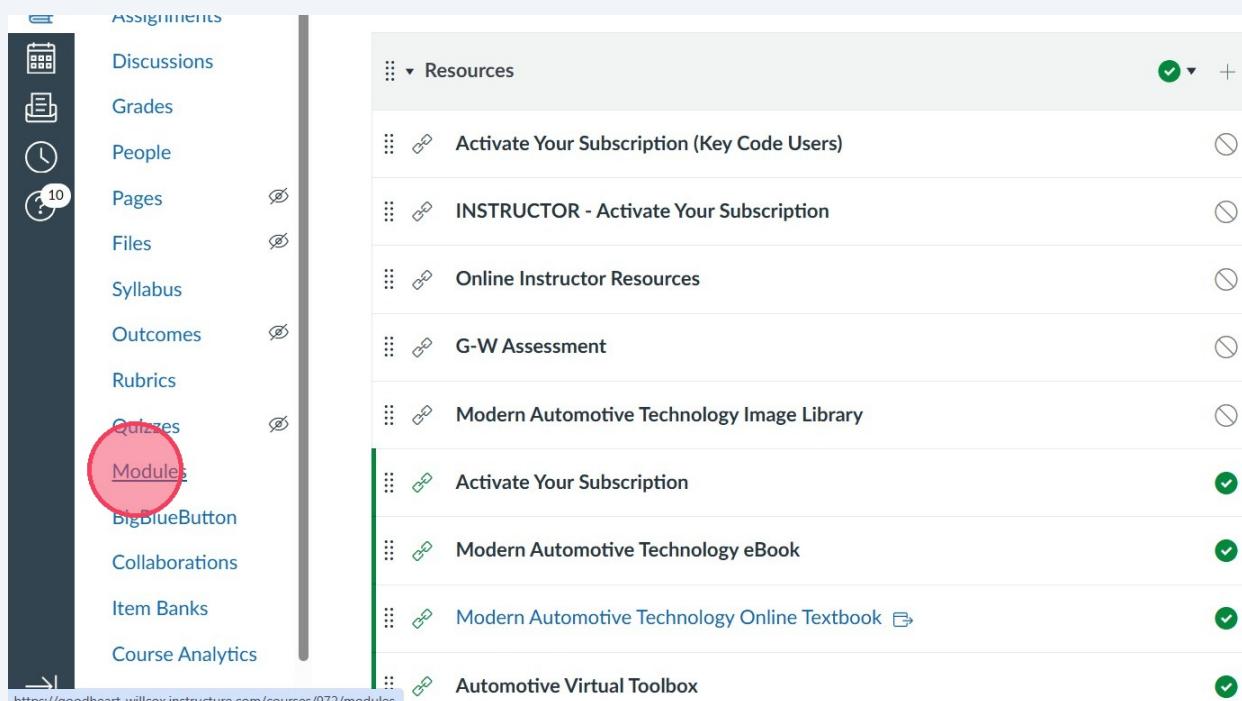

Tip! Please make sure that you have watched our onboarding video on Activating Your Subscription before viewing this video.

1 After logging in to Canvas and going to your Automotive course, you will find G-W content either on the **Home** page of the course

The screenshot shows the Canvas course interface for 'Modern c2026'. The left sidebar has a red circle around the 'Home' link. The main content area shows a 'Resources' section with several items, including 'Activate Your Subscription (Key Code Users)', 'INSTRUCTOR - Activate Your Subscription', 'Online Instructor Resources', 'G-W Assessment', 'Modern Automotive Technology Image Library', 'Activate Your Subscription', 'Modern Automotive Technology eBook', 'Modern Automotive Technology Online Textbook', and 'Automotive Virtual Toolbox'. Each item has a green checkmark next to it.

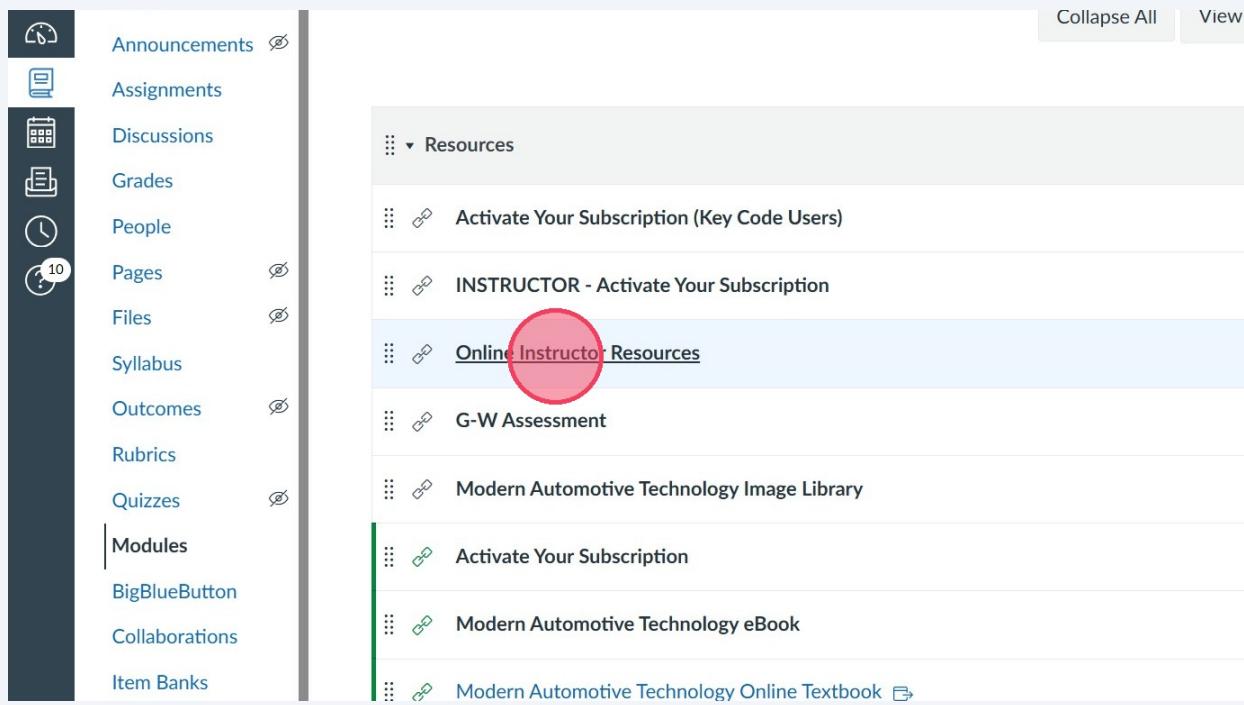

2 or in the **Modules** section of the course depending on how you or the LMS Administrator has set up each course shell.

The screenshot shows the Canvas course interface for 'Modern c2026'. The left sidebar has a red circle around the 'Modules' link. The main content area shows a 'Resources' section with several items, including 'Activate Your Subscription (Key Code Users)', 'INSTRUCTOR - Activate Your Subscription', 'Online Instructor Resources', 'G-W Assessment', 'Modern Automotive Technology Image Library', 'Activate Your Subscription', 'Modern Automotive Technology eBook', 'Modern Automotive Technology Online Textbook', and 'Automotive Virtual Toolbox'. Each item has a green checkmark next to it.

3

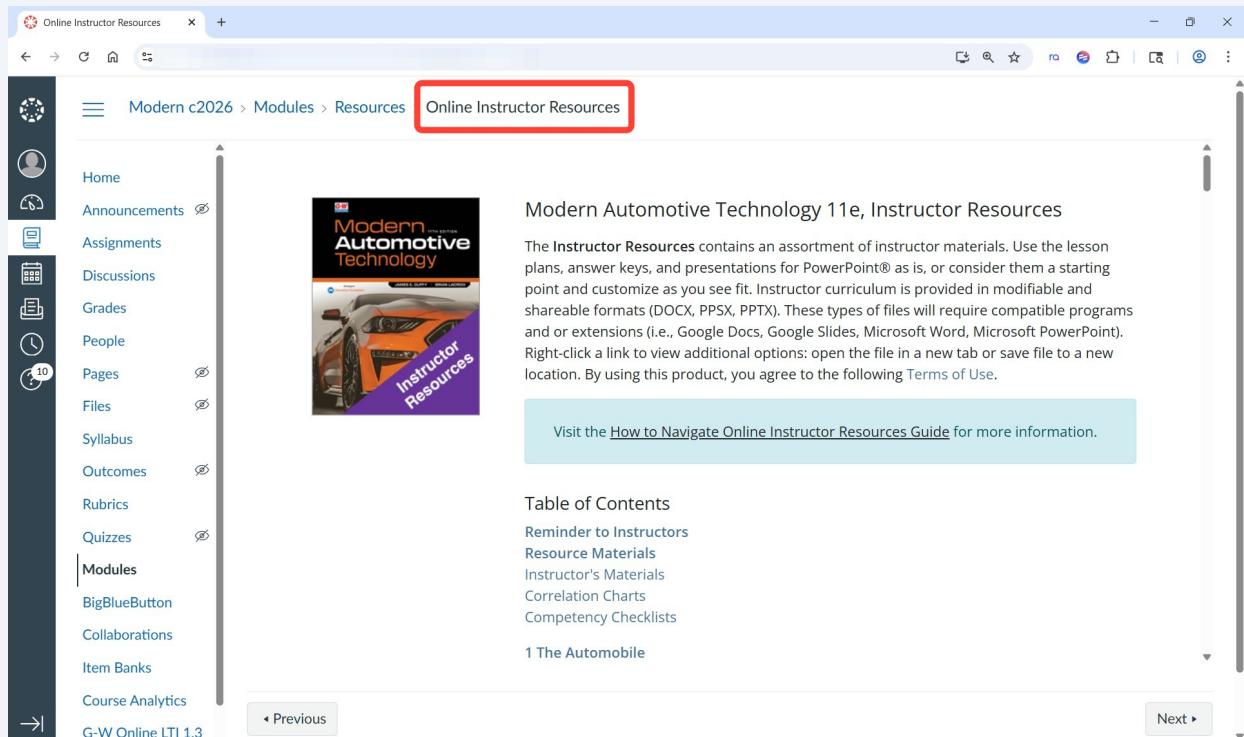

Now you may select the *Online Instructor Resources* link to view the instructor resources.

The screenshot shows a LMS interface with a sidebar on the left containing various navigation links: Announcements, Assignments, Discussions, Grades, People, Pages, Files, Syllabus, Outcomes, Rubrics, Quizzes, Modules, BigBlueButton, Collaborations, and Item Banks. The 'Modules' link is currently selected. The main content area is titled 'Resources' and lists several items: 'Activate Your Subscription (Key Code Users)', 'INSTRUCTOR - Activate Your Subscription', 'Online Instructor Resources' (which is circled in red), 'G-W Assessment', 'Modern Automotive Technology Image Library', 'Activate Your Subscription', 'Modern Automotive Technology eBook', and 'Modern Automotive Technology Online Textbook'.

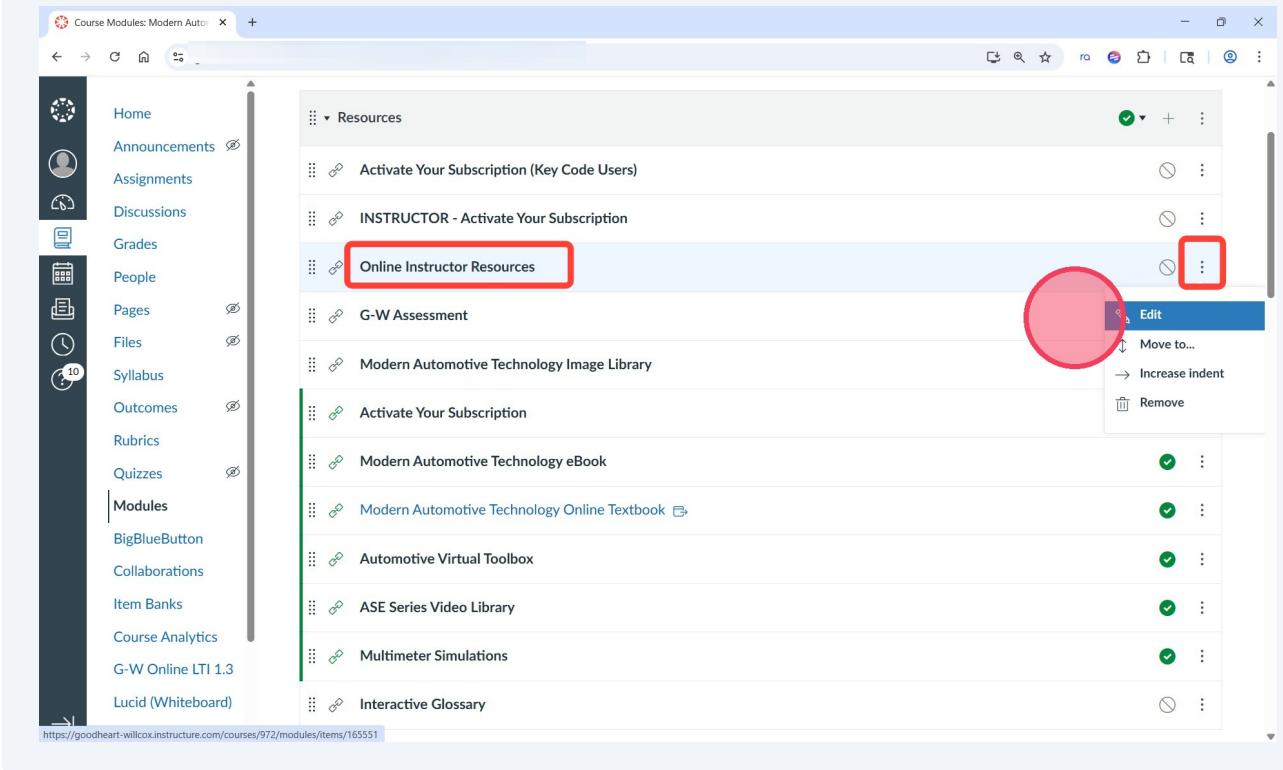

4

You may notice that the *Online Instructor Resources* opens within the iframe of your LMS

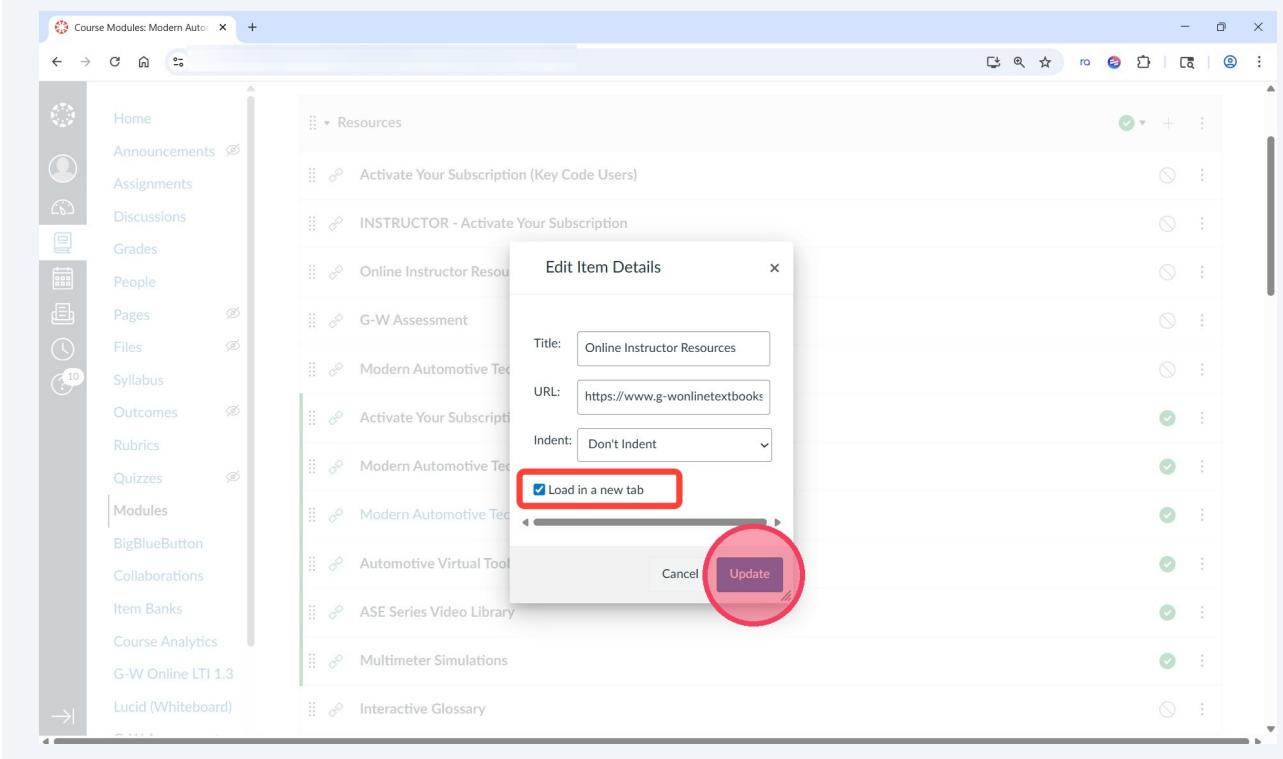

The screenshot shows a web browser window with the title 'Online Instructor Resources'. The URL in the address bar is 'Modern c2026 > Modules > Resources'. The main content area is titled 'Modern Automotive Technology 11e, Instructor Resources'. It contains a summary of the resources, a 'Table of Contents' section with links to 'Reminder to Instructors', 'Resource Materials', 'Instructor's Materials', 'Correlation Charts', and 'Competency Checklists', and a '1 The Automobile' section. Navigation buttons for 'Previous' and 'Next' are at the bottom. A red box highlights the title 'Online Instructor Resources' in the address bar.

5 but if you want it to open in a *new tab* to enhance your viewing experience, please select the 3 dots next to the *Online Instructor Resources* link and select **Edit**.

The screenshot shows the 'Resources' section of a Canvas course. The 'Online Instructor Resources' item is selected and highlighted with a red box. A context menu is open next to it, with the 'Edit' option highlighted and circled in red. Other options in the menu include 'Move to...', 'Increase indent', and 'Remove'.

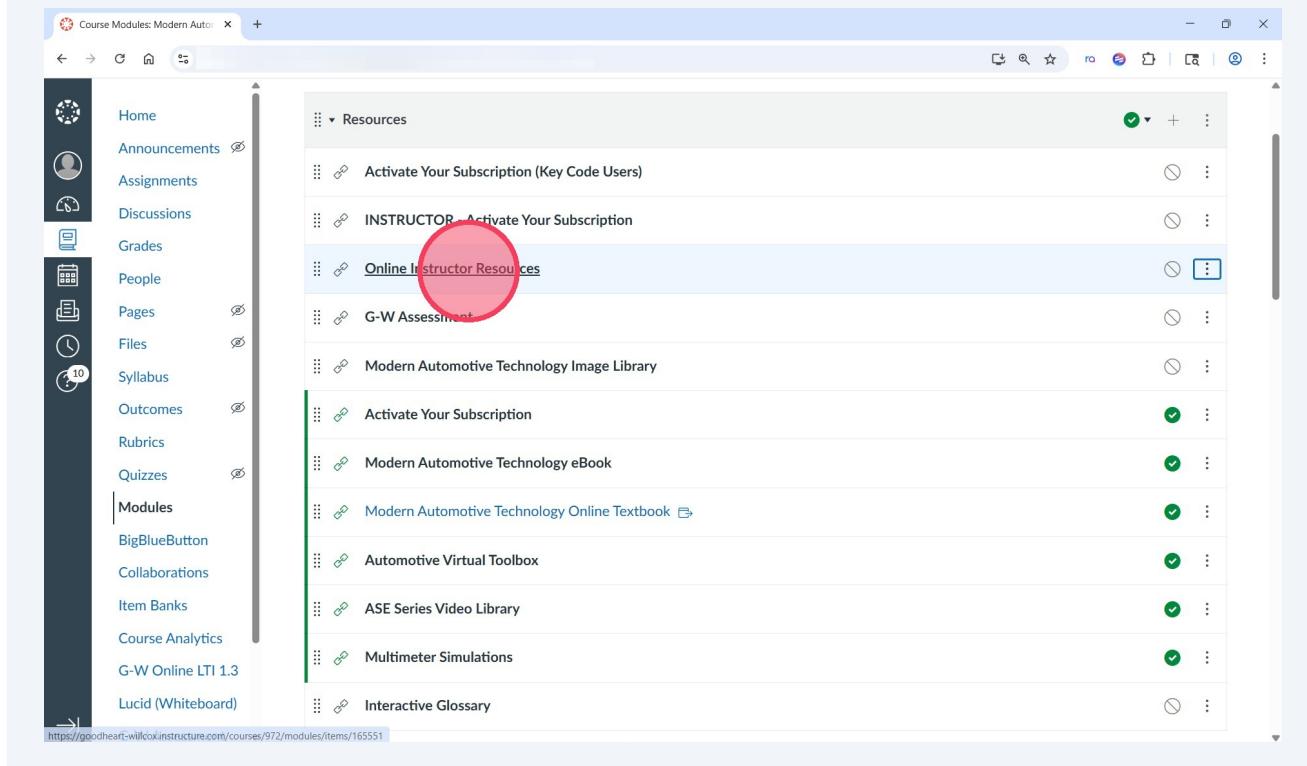

6 Check the box which reads *Load in a new tab* and select **Update**.

The screenshot shows the 'Edit Item Details' dialog box. The 'Load in a new tab' checkbox is checked and highlighted with a red box. The 'Update' button is highlighted with a red circle.

7

Now after selecting the *Online Instructor Resources* link

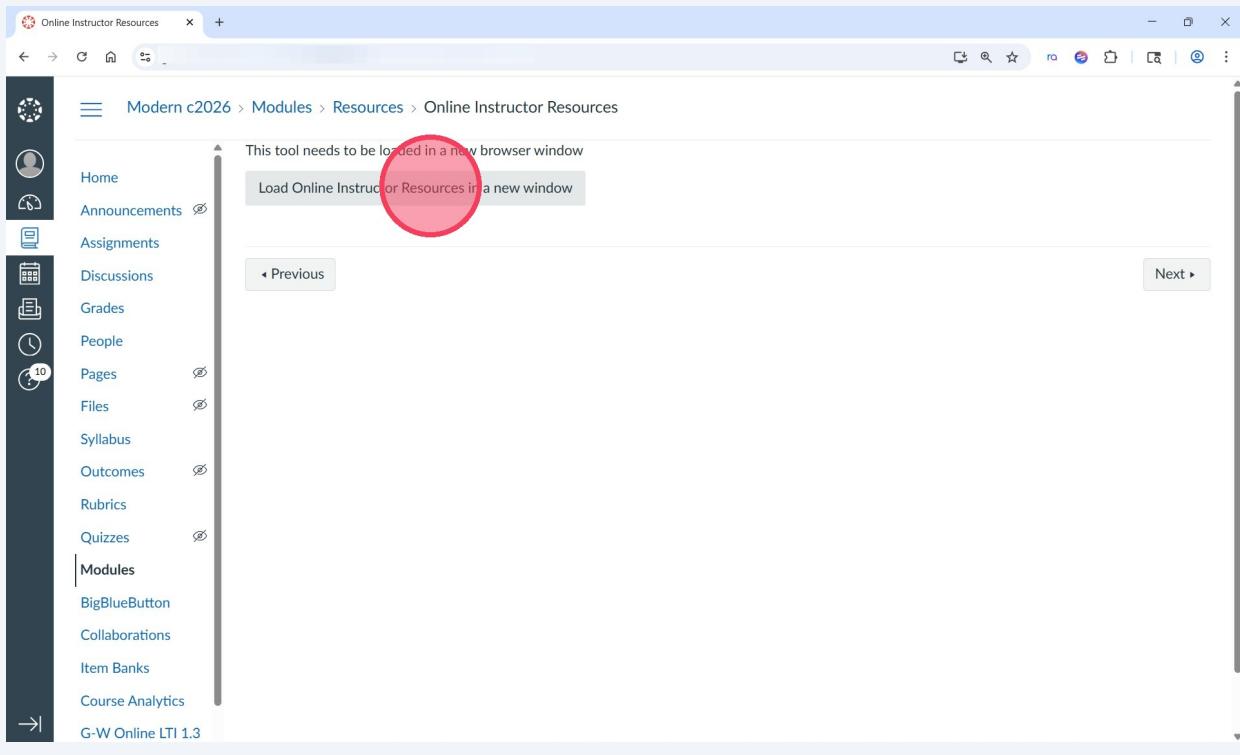

The screenshot shows the 'Resources' page in the Instructure Canvas course interface. The left sidebar lists various course modules and tools. The 'Resources' section is expanded, displaying a list of items. The item 'Online Instructor Resources' is highlighted with a red circle. The list includes:

- Activate Your Subscription (Key Code Users)
- INSTRUCTOR - Activate Your Subscription
- Online Instructor Resources** (highlighted with a red circle)
- G-W Assessment
- Modern Automotive Technology Image Library
- Activate Your Subscription
- Modern Automotive Technology eBook
- Modern Automotive Technology Online Textbook
- Automotive Virtual Toolbox
- ASE Series Video Library
- Multimeter Simulations
- Interactive Glossary

8

you'll see the option to open the instructor resources in a new window. Select that button

Online Instructor Resources

Modern c2026 > Modules > Resources > Online Instructor Resources

This tool needs to be loaded in a new browser window

13 Notice the Reminder to Instructors regarding our AI policy.

A screenshot of the 'Instructor Resources' page for 'Modern Automotive Technology'. The page includes a sidebar with navigation icons. The main content features the book's cover image and a 'Reminder to Instructors' section. A red circle highlights the 'Reminder to Instructors' heading. Below it, text states that materials are copyrighted and prohibited from being uploaded into AI. The 'Resource Materials' section is also visible, with links to 'Release Notes' and 'Introduction'. A red circle highlights the 'Resource Materials' link in the table of contents.

14

Next, find the specific resources available for this product under Instructor's Materials. These files are formatted as a DOCX file which may be downloaded and edited or used as is.

20 Once you find the downloaded file, you may open it to view its contents

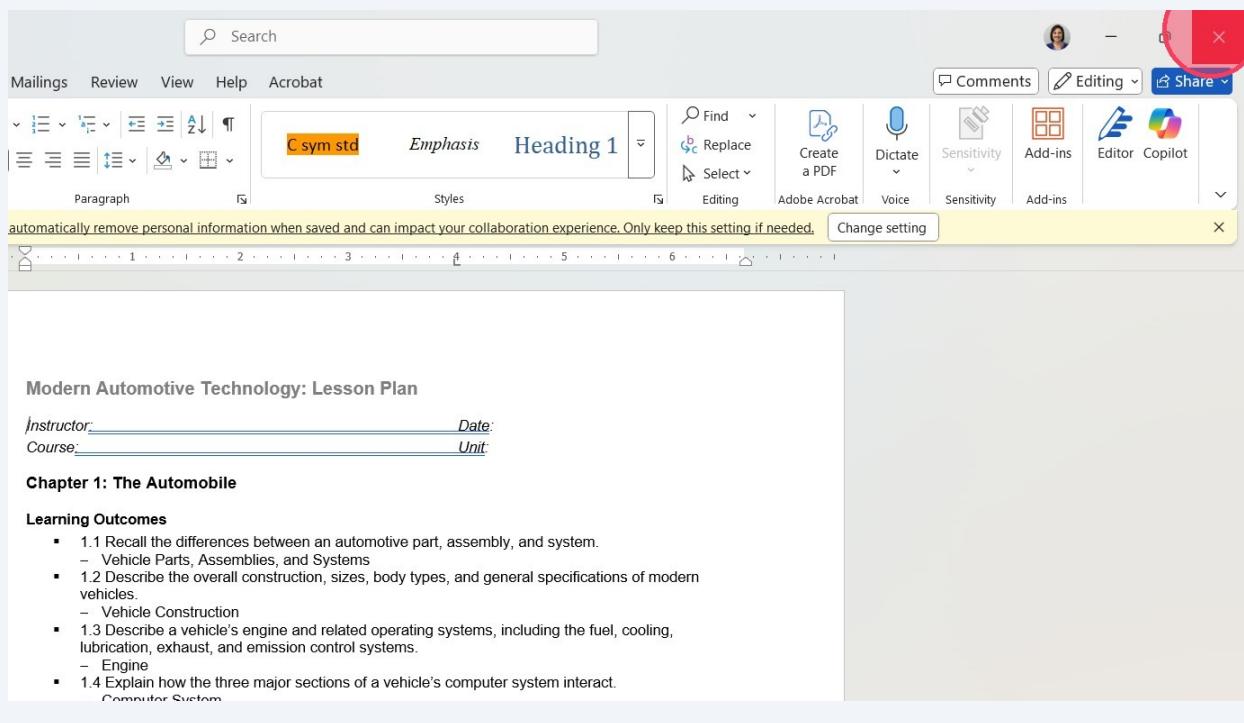

21 and either Save it, Print it, or select Enable Editing to modify this Lesson Plan to fit your needs.

22

Once you are finished modifying the document, you may Save and/or Close the file.

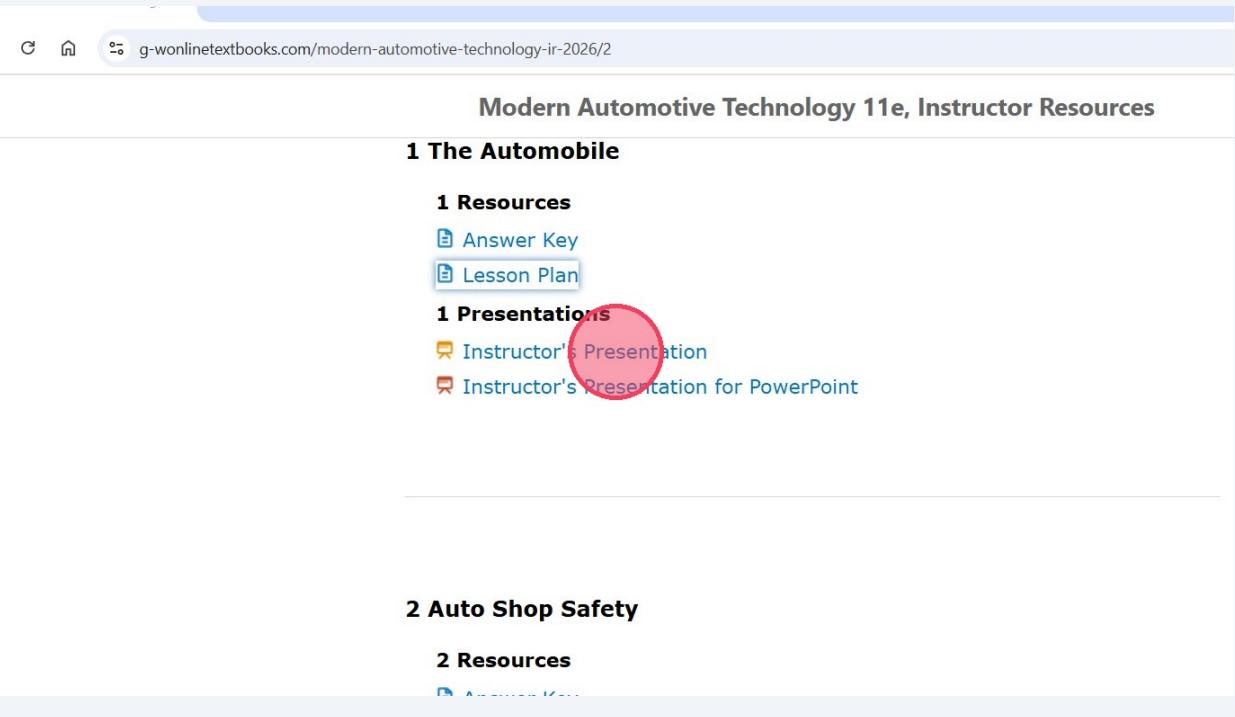

23

The Instructor Resources also comes with two types of presentations.

The screenshot shows a web browser displaying the 'Modern Automotive Technology 11e, Instructor Resources' page. The page has a sidebar with icons for Home, Add, Subtract, Multiply, Divide, Search, and Settings. The main content area shows a table of contents with '1 The Automobile' and '2 Auto Shop Safety' sections. Under '1 The Automobile', there are '1 Resources' (with 'Lesson Plan' highlighted) and '1 Presentations' (with 'Instructor's Presentation' and 'Instructor's Presentation for PowerPoint').

24

First you may select the "Instructor's Presentation" which launches the G-W created presentation for this chapter. This file may not be edited.
