

TECHNICAL SERVICES BULLETIN

To: Aftermarket Dealers and Distributors
From: Technical Service Department
Date: 07/19/2017
Subject: M7 Igniter Improvements

DESCRIPTION:

Nortek Global HVAC is pleased to announce a new igniter for the M7 gas furnace. The new igniter is fully redesigned to increase durability and is backwards compatible with all M7 gas furnaces. The new SKU number is **1016290S**.

M7 units starting with serial number M7G170706511 (July 5, 2017) will come with the new igniter already installed.

MODELS AFFECTED:

M7RL and M7TL

ACTION REQUIRED:

Should an igniter fail, use the new replacement part number, **1016290S**, and follow normal warranty procedures.

QUESTIONS?

Please call the Nortek Global HVAC Technical Service Department at 1-800-422-4328.

CONFIDENTIALITY POLICY: Bulletins are not for public display, web posting, or dissemination to non-Nortek Global HVAC partners. Distributors may post the bulletin ONLY behind a secure firewall that requires password access, and where the folder cannot be crawled by web search engines.
