

WATER LEAK & FREEZE PROTECTION WHERE IT MATTERS MOST

L5 WiFi Water Shutoff Valve

L51-334	1/2"	\$197⁵⁵
L51-335	3/4"	\$206⁵⁵
L51-336	1"	\$240⁷⁵
L51-337	1-1/4"	\$299²⁵

Whether out of town or out for the evening, the Resideo L5 responds to water alerts with an automatic shutoff response, helping safeguard belongings and a home's structure from potential costly repairs.

L1 WiFi Water Leak & Freeze Detector

L51-332	1ea	\$60⁷⁵
L51-333	3pk	\$168⁷⁵

Helps keep you connected & aware of potentially costly water activity in a home. Using WiFi, to receive notifications when a pipe freezes or a leak is detected, anytime, anywhere.

Sensor Cable Accessory for Leak Detector

L51-744	5ft	\$12³⁷
---------	-----	--------------------------

This 5-foot cable senses water along its entire length. Cover an entire home by adding additional devices or extend the sensor cables to expand coverage up to 500-feet.
