

Adding a student in Aeries Gradebook

Step One: Click on "Manage Gradebook"

Step Two: Click on "Manage Students" then "Add Students"

Step Three: Click on the drop down menu and select Add. You will need to add student(s) in all sections- Language Arts, Math, Science, History/Social Studies/PE.

Click on "Save Changes"

*Note: Do not click on "Add All Students" because not all students need to be added into your ELD Section.
