# SOLiD EMEA
Customer Portal

SOLiD EMEA Customer Portal

SOLiD is pleased to announce the launch of SOLiD EMEA customer portal for all our customers. SOLiDs SharePoint portal aims to provide;

- Access to the most recent published documents such as data sheets, manuals, brochures etc.
- Options to download software packages as soon as they available for general release.
- Announcements and news of upcoming or available whitepapers, case studies or new product software packages.
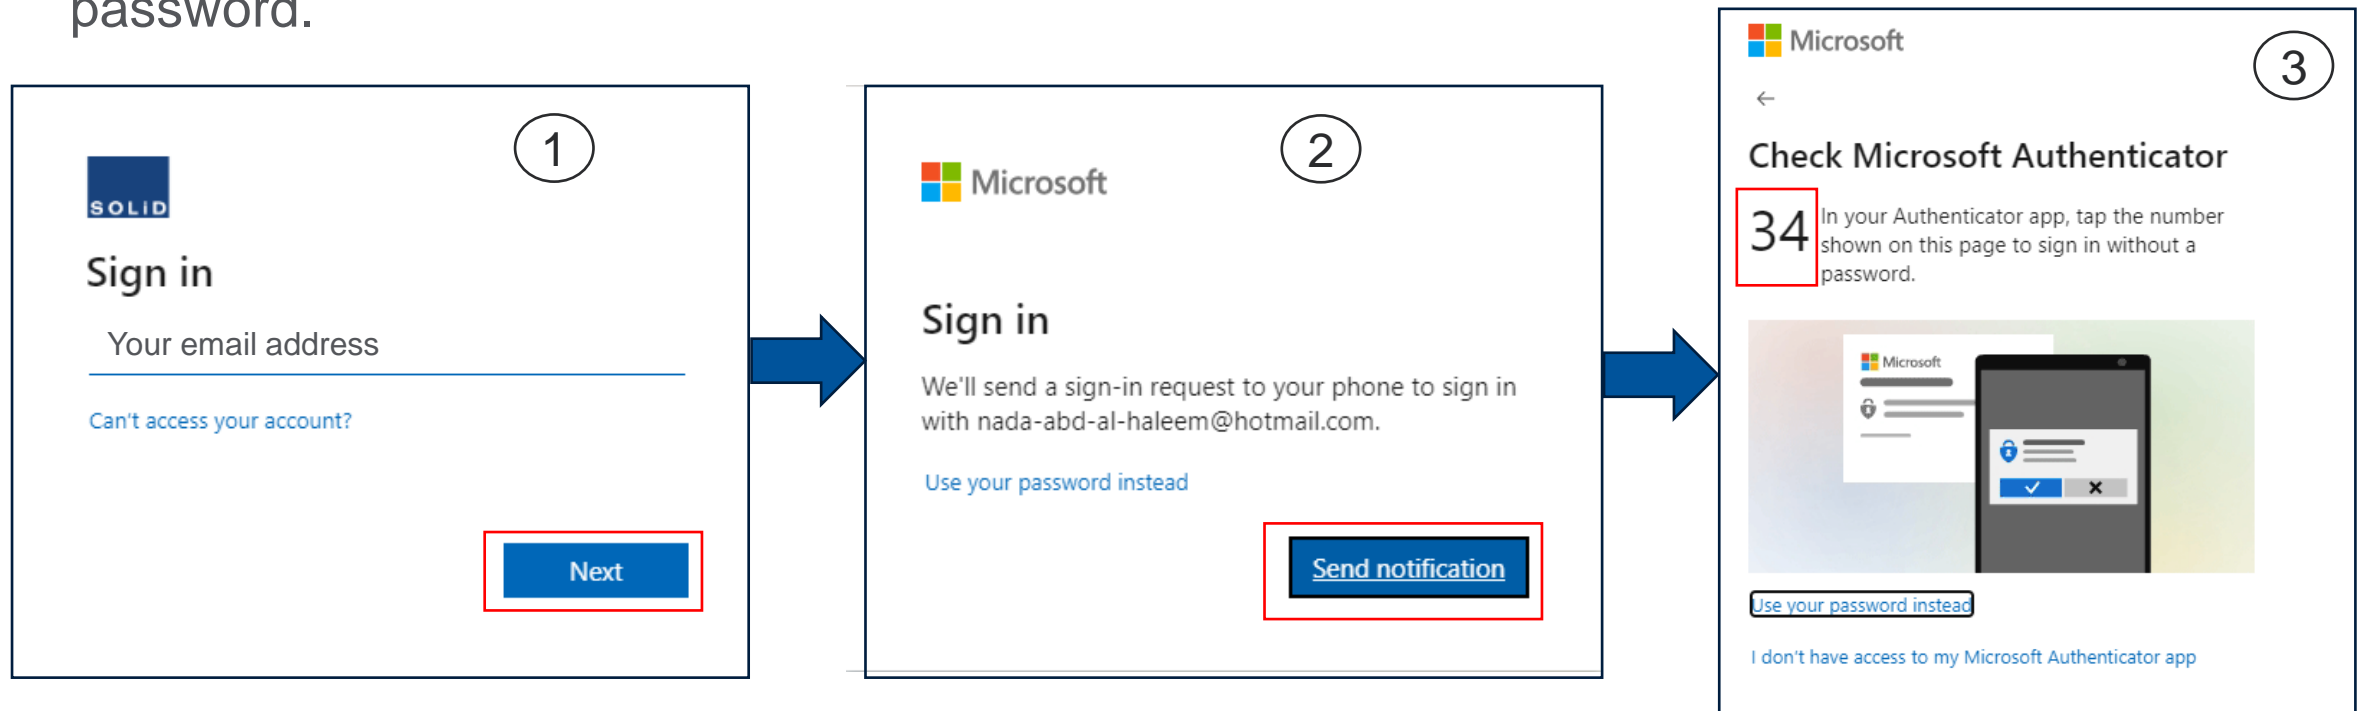

Logging into SOLiD EMEA Customer Portal

- An invitation to access this service will be sent to all existing customers.

- If an invitation haven't been received, please reach out to support.solideu.com and we will be able to assist you.
