Staff Injury/Illness Reporting Process

Injured Staff Member - New River YMCA

You received this package because you reported to your supervisor an injury or illness directly related to, caused by, contributed to, or significantly aggravated by events or exposures connected to the day-to-day activities of your employment in the workplace.

Any injury experienced during work must be immediately reported to your supervisor and risk management using the QR Code or the Risk Management Portal at risk.ymcamso.org.

For Life-Threatening Emergency Injuries:

1. The YMCA will call EMS and follow all established emergency procedures.
2. The YMCA will contact your emergency contact, and a supervisor or leadership may accompany you to the Emergency Room.
3. Follow steps 3 & 4, outlined below, as soon as you are able.

For Non-Emergency Injuries:

1. Select a medical provider listed below.
2. Provide the medical facility staff with all detailed information regarding your injury.
 - a. A post-accident drug test may be required for all staff accidents.
3. As soon as possible submit a copy of all **documentation** received from the medical facility staff via email to your supervisor and complete Staff Injury/Severe Illness Report via the Risk Portal (risk.ymcamso.org/new/)
 - a. Enter the Subject as: Staff Injury - (Your Name) - (Date of Injury)
 - b. Choose: Risk – New River as the Category
 - c. Choose: Staff Injury/Severe Illness Report as the Ticket Option
 - d. Choose: Injured Staff Member as the Reporting Person
 - e. Continue filling in the form with information. Remember to be as detailed and factual as possible.
4. Obtain approval from your supervisor before returning to work.
5. Give a copy of all new paperwork from the provider to your supervisor after every follow-up appointment.

Additional Information:

1. Expect to be contacted within 48 hours by:
 - a. YESS Human Resources Department
 - b. Your Workers' Compensation claims representative from **Crum&Forster**. Save your claim number and your claim representative's contact information.
 - c. Your claim representative will be able to assist you with questions regarding your claim, follow-up appointments, etc.
2. You must attend all follow-up appointments with an approved Worker's Compensation medical provider.
 - a. Follow-up appointments should be scheduled before or after work.
 - b. Failure to attend your medical appointments may result in a loss of benefits
